

Employees' Provident Fund e-Nomination

EPFO, REGIONAL OFFICE, K R PURAM

Introduction

- The ultimate objective of maintaining a nomination (Form-2) is to ensure that funds are made available in a timely manner to the nominee in the unfortunate event of the death of the member. Hence it is important to ensure that every EPF / EPS member has provided information of his/her nominee's details to enable settlement of funds in a seamless manner.
- Employees' Provident Fund Organisation (EPFO) allows subscribers to submit their Provident Fund (PF) account's nomination details online via its official portal- unifiedportal-mem.epfindia.gov.in.
- Only the nominated members can withdraw the EPF savings in the event of subscribers' sudden demise.
- Subscribers can nominate more than one nominee and also fix the percentage of sharing among all such nominees.

Rules

- If member has a family at the time of making nomination, then it shall be in favour of one or more persons belonging to his family for EPF/EDLI Schemes and any nomination which is already made by such member in favour of any person not belonging to his family shall be invalid.
- A fresh nomination shall be made by the member on his marriage and any nomination made before such marriage shall be deemed to be invalid.
- At the time of making nomination, if the member has no family, the nomination may be in favour of any person or persons but if the member subsequently acquires a family, such nomination shall be deemed to be INVALID and the member shall make a fresh nomination.
